QUORUM FOR THE TRANSACTION OF BUSINESS

The Corporation's by-laws provide that the quorum at a meeting of the shareholders of the Corporation shall be constituted by the attendance of two or more shareholders, present in person or represented by proxy, holding at least 5% of the votes attached to outstanding voting shares of the Corporation.

APPOINTMENT OF PROXY

A shareholder that holds his shares directly in his name (a "**Registered Shareholder**") who is unable to attend the Meeting in person is requested to complete and sign the enclosed form of proxy and to deliver it to Computershare Investor Services Inc. (i) by mail or hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or (ii) by facsimile to 416-263-9524 or 1-866-249-7775. A Registered Shareholder may also vote using the internet at www.investorvote.com or telephone at 1-866-732-8683. In order to be valid and acted upon at the Meeting, the form of proxy must be received no later than 5:00 p.m. (Eastern time) on June 17, 2022 or be deposited with the Secretary of the Corporation before the commencement of the Meeting or any adjournment thereof.

The document appointing a proxy must be in writing and executed by the Registered Shareholder or his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

A Registered Shareholder submitting a form of proxy has the right to appoint a person (who need not be a shareholder) to represent him or her at the Meeting other than the persons designated in the form of proxy furnished by the Corporation. The persons named in the enclosed form of proxy are directors and officers of the Corporation. To exercise that right, the name of the Registered Shareholder's appointee should be legibly printed in the blank space provided. In addition, the Registered Shareholder should notify the appointee of his or her appointment, obtain his or her

consent to act as appointee and instruct him or her on how the Registered Shareholder's shares are to be voted.

Shareholders who are not Registered Shareholders should refer to the section "Non-Registered Holders" below.

REVOCATION OF PROXY

A Registered Shareholder who has submitted a form of proxy as directed herein may revoke it at any time prior to the exercise thereof. If a Registered Shareholder who has given a proxy personally attends the Meeting at which that proxy is to be voted, that Registered Shareholder may revoke the proxy and vote in person. In addition to the revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Registered Shareholder or his attorney or authorized agent and deposited with (i) Computershare Investor Services Inc. at any time up to 5:00 p.m. (Eastern time) on June 17, 2022 by mail or by hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or by facsimile to 416-263-9524 or 1-866-249-7775, (ii) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or (iii) with the chairman of the Meeting on the day of the Meeting before the commencement of the Meeting, or any adjournment thereof, and upon any such deposit, the proxy will be revoked.

EXERCISE OF DISCRETIONARY POWER BY PROXIES

The persons named in the enclosed form of proxy will vote the shares in respect of which they are appointed in accordance with the instructions of the shareholder appointing them.

In the absence of instructions, the proxyholder will exercise the right to vote IN FAVOUR of the matters specified in the Notice of Meeting or in the Circular.

Unless otherwise specified herein, all resolutions will be adopted by a simple majority of the votes represented at the Meeting.

Management does not know and cannot foresee at the present time any amendments or new points to be brought before the Meeting, or any adjournment thereof. If such amendments or new points were to be properly brought before the Meeting, or any adjournment thereof, the persons named in the enclosed form of proxy will vote on such matters in the way they consider advisable.

NON-REGISTERED HOLDERS

The information set out in this section is of significant importance to many shareholders, as a substantial number of shareholders are Beneficial Shareholders and do not hold shares of the Corporation in their own names. Beneficial Shareholders should note that only proxies deposited by Registered Shareholders (shareholders whose names appear on the records of the Corporation as the registered holders of shares) can be recognized and acted upon at the Meeting or any adjournment(s) thereof. If shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in the shareholder's name on the records of the Corporation. Those shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of those shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers or their nominees can be voted only upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. Subject to the following discussion in relation to NOBOs (as defined below), the Corporation does not know for whose benefit the shares of the Corporation registered in the name of CDS & Co., a broker or another nominee, are held.

There are two categories of Beneficial Shareholders for the purposes of applicable securities regulatory policy in relation to the mechanism of dissemination to Beneficial Shareholders of proxy-related materials and other securityholder materials and the request for voting instructions from such Beneficial Shareholders. Non-objecting beneficial owners (“**NOBOs**”) are Beneficial Shareholders who have advised their intermediary (such as brokers or other nominees) that they do not object to their intermediary disclosing ownership information to the Corporation, consisting of their name, address, e-mail address, securities holdings and preferred language of communication. **Securities legislation restricts the use of that information to matters strictly relating to the affairs of the Corporation.** Objecting beneficial owners (“**OBOs**”) are Beneficial Shareholders who have advised their intermediary that they object to their intermediary disclosing such ownership information to the Corporation.

In accordance with the requirements of NI 54-101, the Corporation is sending the Notice Package directly to NOBOs and indirectly through intermediaries to OBOs. NI 54-101 permits the Corporation, in its discretion, to obtain a list of its NOBOs from intermediaries and use such NOBO list for the purpose of distributing the Notice Package directly to, and seeking voting instructions directly from, such NOBOs. As a result, the Corporation is entitled to deliver the Notice Package to Beneficial Shareholders in two manners: (a) directly to NOBOs and indirectly through intermediaries to OBOs; or (b) indirectly to all Beneficial Shareholders through intermediaries. In accordance with the requirements of NI 54-101, the Corporation is sending the Notice Package indirectly to all Beneficial Shareholders through intermediaries. The cost of the delivery of the Notice Package by intermediaries to OBOs will be borne by the Corporation.

Applicable securities regulatory policy requires intermediaries, on receipt of Notice Packages that seek voting instructions from Beneficial Shareholders indirectly, to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings on Form 54-101F7 (Request for Voting Instructions Made by Intermediary). Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting or any adjournment(s) thereof. Often, the form of request for voting instructions supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided to Registered Shareholders; however, its purpose is limited to instructing the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. Beneficial Shareholders who wish to appear in person and vote at the Meeting should be appointed as their own representatives at the Meeting in accordance with the directions of their intermediaries and Form 54-101F7. Beneficial Shareholders can also write the name of someone else whom they wish to attend at the Meeting and vote on their behalf. Unless prohibited by law, the person whose name is written in the space provided in Form 54-101F7 will have full authority to present matters to the Meeting and vote on all matters that are presented at the Meeting, even if those matters are not set out in Form 54-101F7 or this Circular.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). In forwarding the Notice Package to Beneficial Shareholders, Broadridge typically includes a VIF in lieu of the form of proxy that some intermediaries employ. Beneficial Shareholders are requested to complete and return the VIF to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free telephone number to vote the shares held by them or access Broadridge’s dedicated voting website at <https://central-online.proxyvote.com> to deliver their voting instructions. Broadridge will then provide aggregate voting instructions to the Corporation’s transfer agent and registrar, which tabulates the results and provides appropriate instructions respecting the voting of shares to be represented at the Meeting or any adjournment(s) thereof.

The Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any of the following persons in any matter to be acted upon at the Meeting:

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Interpretation

“**Named Executive Officer**” or “**NEO**” means each of the following individuals:

- a) the Chief Executive Officer (“**CEO**”);
- b) the Chief Financial Officer (“**CFO**”);
- c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and the CFO, at the end

of the most recently completed financial year whose total compensation was, individually, more than \$150,000, for that financial year; and

- d) each individual who would be a Named Executive Officer under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

The NEOs who are the subject of this Compensation Discussion and Analysis are Jeffrey Beck, CEO, Brian Ostroff, President, Raphael Gaudreault, Chief Operating Officer (“COO”), Pier-Élise Hébert-Tremblay, CFO, Jean-Sébastien David, previous COO and Andrew Malashewsky, former CFO.

Jeffrey Beck, CEO, was appointed on May 5, 2021, Pier-Elise Hebert-Tremblay, CFO, was appointed on February 4, 2021 and Raphael Gaudreault, COO, was appointed on September 21, 2021.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Policy Objectives

The executive compensation policy of the Corporation is designed to offer competitive compensation enabling the Corporation to attract and retain qualified, high-calibre staff. It will seek to motivate executive officers to achieve strategic objectives so as to maximize the long-term return on shareholders' investment.

The strategic initiatives that guide management and directors can be summarized as follows:

Over the short term, the Corporation's objectives for 2021 were to:

- Reduce cash operating production costs and capital expenses of the Lac à Paul project;
- Sign an “Impact and Benefit Agreement (IBA)” with the First Nations;
- Secure financing for construction and development of the Lac à Paul project (the “Project”).

Over the long term, the Corporation's goal is to build a profitable phosphate mine, start production and generate economic returns and benefits for our shareholders as well as stakeholders in the Saguenay-Lac-St-Jean region.

Components of aggregate compensation

The aggregate compensation of the NEOs currently consists of one or more of the following elements:

- a) a base monetary compensation;
- b) annual bonus; and
- c) option grants designed to attract experienced personnel and encourage them to promote the Corporation's interests and activities to the best of their knowledge.

Base compensation

The base cash compensation of each NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

The base cash compensation review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of each NEO. Base compensation is not evaluated against a formal “peer group”. The Board of Directors relies on the general experience of its members in setting base compensation amounts.

Bonus

In addition to a fixed base salary, each NEO is eligible to receive a bonus meant to motivate the NEO and is determined on a case-by-case basis.

The bonus program is based on certain objectives and overall corporate strategy. The amount of the bonus is based upon individual achievements and realization of corporate strategies. The following are the Corporation's objectives used in 2021 to determine the bonus:

- Reduce cash operating production costs and capital expenses;
- Continue our ongoing effort to communicate with our stakeholders and the community at large; and
- Secure financing for development and construction of the Project

Long-Term Incentive compensation

Option grants are an integral part of the compensation program as they reinforce the NEO's alignment with shareholder value. Option grants are established by the Board of Directors on a continuous basis, based on the progress of the Corporation.

The Corporation has established a formal plan (the "**Stock Option Plan**") under which stock options are granted to directors, officers, employees, and consultants as an incentive to serve the Corporation in attaining its goal of improved shareholder value. The Board of Directors determines which NEOs (and other persons) are entitled to participate in the Stock Option Plan, determines the number of options granted to such individuals and determines the date on which each option is granted and the corresponding exercise price and expiry date. For further information regarding the Stock Option Plan refer to section "Securities Authorized for Issuance Under Equity Compensation Plans".

External Compensation Consultants

During the fiscal years ended December 31, 2021 and 2020, the Corporation did not retain the services of executive compensation consultants to assist the Board of Directors in determining compensation for any of the Corporation's Named Executive Officers or directors.

Compensation Risk Management

Given the development stage of the Corporation, the Board of Directors has not proceeded to an evaluation of the implications of the risks associated with the Corporation's compensation policies and practices.

The Board of Directors has adopted a written code of ethics (the "**Code**") which, among other things, sets out that the Corporation's directors, officers and employees must not under any circumstance, engage in hedging activities or in any other type of operation with exchange-traded options of the Corporation securities or other types of derivative financial instruments related to the Corporation's securities, including call and put options. In addition, these individuals must not sell the Corporation's securities that they do not already own.

Under the Stock Option Plan, the Board of Directors may, from time to time and at its discretion, grant to directors, officers, employees, management, company employees or consultants of the Corporation options

to acquire common shares of the Corporation, provided that the number of options granted does not exceed a maximum of 10% of the aggregate number of common shares of the Corporation issued and outstanding.

Consequently, the number of common shares that are reserved under the Stock Option Plan is automatically increased or decreased as the number of issued and outstanding common shares of the Corporation increases or decreases.

This is known as a “rolling” stock option plan.

Under the rules of the Exchange, a “rolling” stock option plan must receive shareholder approval yearly, at the annual meeting of shareholders.

Accordingly, the Corporation’s shareholders will be asked to adopt the following resolution:

“IT IS RESOLVED;

1. **THAT** the Stock Option Plan of the Corporation, as described in the Circular dated May 17, 2022 be and it is hereby approved and confirmed; and
2. **To** authorize any one director or officer of the Corporation to do all acts and things, to execute and to deliver all agreements, documents and instruments, to give all notices and to deliver file and distribute all documents and information with such person determined to be necessary or desirable in connection with or to give effect to and carry out the foregoing resolution.”

In order to be adopted, the resolution must be approved by a majority of the votes cast by the Shareholders, either present in person or represented by proxy at the Meeting.

Unless otherwise specified, the persons named in the accompanying form of proxy intend to vote IN FAVOUR of the resolution approving the Stock Option Plan.

INTEREST OF INFORMED PERSONS IN MATERIAL OPERATIONS

On March 18, 2021, the Corporation entered into an agreement with its senior secured lender Mercury Financing Corp. (“**Mercury**”) by which Mercury has agreed to exercise its 26,780,000 warrants that it held, thereby reducing the amount owed under the credit facility by roughly \$6.6M to \$24.9M (the “**Loan**”). Further, Mercury has also agreed to extend the Loan under the credit facility for a period of 5 years and reduce the annual interest rate to 8% from the previous 15%. In conjunction with the amended credit facility, Mercury received 32 million non-transferable share purchase warrants, exercisable at a price of \$0.33 per share for a period of 5 years. As well, these warrants will be subject to a “warrant blocker” provision. As at May 17, 2022, Mercury owns directly 33,820,867 common shares, representing 17.80% of the common shares issued and outstanding of the Corporation.

Other than that the management of the Corporation is not aware of any material interest, direct or indirect, that any director, proposed director, officer, shareholder of the Corporation holding, directly or indirectly, as beneficial owner, more than 10% of the outstanding common shares of the Corporation or any associate or affiliate of any such person would have in any material transaction concluded since the beginning of the last financial year of the Corporation or in any proposed transaction which had or could have a material effect on the Corporation, other than what is disclosed in this Circular.

MANAGEMENT CONTRACTS

There are no management functions of the Corporation or any of its subsidiaries which are to any substantial degree performed by a person or a company other than the directors or executive officers of the Corporation or any of its subsidiaries.

Audit Committee Oversight

At no time since the commencement of the Corporation's financial year ended December 31, 2021 was a recommendation of the audit committee to nominate or compensate an external auditor not adopted by the Board of Directors.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation's financial year ended December 31, 2021 has the Corporation relied on the exemption provided under section 2.4 (*De minimis Non-audit Services*) of Regulation 52-110 *respecting Audit Committees* (“**Regulation 52-110**”) or an exemption from Regulation 52-110, in whole or in part, granted under Part 8 of Regulation 52-110 (Exemptions).

Pre-Approval Policies and Procedures

The audit committee has adopted specific policies and procedures for the engagement of non-audit services as described in its charter attached hereto as Schedule A.

External Auditor Service Fees

The aggregate fees billed by the Corporation's external auditors during the financial years ended December 31, 2021 and 2020 were as follows:

Financial Year Ended December 31	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
2021	\$43,000	\$4,612	\$10,700	-
2020	\$40,000	\$4,838	\$10,140	-

Exemption

Pursuant to section 6.1 of Regulation 52-110, the Corporation is not required to comply with Parts 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of Regulation 52-110 given that it is a venture issuer, as defined in Regulation 52-110.

DISCLOSURE OF CORPORATE GOVERNANCE PRACTICES

Regulation 58-101 *respecting Disclosure of Corporate Governance Practices* and Policy Statement 58-201 to *Corporate Governance Guidelines* set out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation's required annual disclosure of its corporate governance practices.

Board of Directors

Management is nominating seven (8) individuals to the Corporation's Board of Directors.

1. Independent Directors

The independent directors of the Corporation are Marco Gagnon, Siva Pillay, Steven Pinney, James Cowley and Claude Lafleur.

2. Non-Independent Directors

The non-independent directors of the Corporation are Brian Ostroff because he is the President of the Corporation, Jeffrey Beck because he is the CEO of the Corporation and Dominique Bouchard because he is Executive Chairman of the Corporation.

Directorships

The following director is currently director of another issuer that is a reporting issuer (or the equivalent) in a jurisdiction of Canada or a foreign jurisdiction.

Name of Director	Issuer
Marco Gagnon	Probe Metals Inc.

Orientation and Continuing Education

The directors keep up to date and receive copies of all the necessary and latest information during meetings of the Board of Directors, the Audit Committee and the Human Resources and Corporate Governance Committee. On account of the limited number of directors and the venture nature of the Corporation, no formal training system has been created.

Ethical Business Conduct

The Corporation's Code of Ethic sets out the Board of Directors' expectations for the conduct of the personnel in their dealings on behalf of the Corporation. Any such person who becomes aware of a violation of the Code must report such violation to an officer of the Corporation. The Board of Directors has delegated to the Human Resources and Corporate Governance Committee the responsibility of ensuring compliance with, or any derogation from, the Code. Compliance with the Code is an essential condition of employment, and any violation to the Code may result in appropriate disciplinary action, to be determined by the management of the Corporation, and may even lead to dismissal. A copy of the Code may be obtained on SEDAR at www.sedar.com.

In an effort to encourage and promote a culture of ethical business conduct, the Corporation has also adopted the following internal policies: an anti-bribery and anti-corruption policy, an insider trading and blackout policy, a disclosure policy and a financial approval authority policy.

Nomination of Directors

Because the Corporation is still in its development phase, no formal nominating committee has been established to propose candidates for the Board of Directors. As a matter of practice, it is expected that the Chairman of the Board of Directors propose qualified candidates to fill vacant positions on the Board of Directors to the Human Resources and Corporate Governance Committee. If a candidate is approved by the Human Resources and Corporate Governance Committee, the latter's name will then be submitted to the Board of Directors for its approval.

Compensation

The Human Resources and Corporate Governance Committee regularly assesses compensation policies in view of practices in the marketplace, the practices and risks typical of the industry and the inherent responsibilities of being an effective director. The Corporation's main activity is developing the Lac à Paul phosphate project and, at the present time, it is not generating any profits.

In order to determine the compensation of the directors, the Board of Directors notably takes into account the contribution made by each person to the Corporation and the financial resources available to the Corporation. To date, the Corporation's directors have not received any compensation in cash for the services they have rendered in their capacity as directors. The determination of the NEO's compensation is described in Section "Compensation of Executive Officers and Directors".

Other Committees of the Board of Directors

Apart from the Audit Committee and the Human Resources and Corporate Governance Committee, the Board of Directors has no other committee.

The Human Resources and Corporate Governance Committee is composed of Steven Pinney (independent), Chair of the Committee, Dominique Bouchard (non-independent), Brian Ostroff (non-independent) and Claude Lafleur (independent).

Assessments

A mechanism has been implemented by the Human Resources and Corporate Governance Committee to evaluate the contribution and performance of the Board of Directors, and each of the board's Committees.

OTHER BUSINESS ON THE AGENDA

Management of the Corporation has no knowledge of any changes regarding the items described in the enclosed Notice of Meeting nor of any other business which could be submitted to the Meeting, except for those items mentioned in the Notice of Meeting. However, if any change or other business is validly brought before the Meeting, the attached proxy form confers a discretionary power on the persons designated therein to vote as they see fit on the changes regarding any such items mentioned in the Notice of Meeting or on any other business.
